2021 – 2025

Bachelor's of Computer Science; CGPA: 8.6

Bangalore

Oxford Patil's PU Science College

2019 – 2021

Pre-University (PCMB); Percentage: 84.8%

Bijapur

Internship Experience

GeeksforGeeks

Feb 2024 – Jan 2025

Technical Content Specialist Freelancer

Bangalore

- Authored high-quality technical content on Operating Systems, SQL concepts, Databases, AWS, DevOps, and programming.
- Collaborated with the GeeksforGeeks team to produce accurate, engaging, and well-structured technical articles.
- Contributed to a widely recognized technical knowledge repository supporting developers and tech enthusiasts.

Robowaves

Feb 2025 – May 2025

QA Analyst Intern

Bangalore

- Conducted software testing and quality assurance on live projects, ensuring optimal performance.
- Gained expertise in test case creation, Requirements Traceability Matrix (RTM), Script execution, and bug tracking to improve software reliability.
- Worked with automation tools and frameworks, enhancing efficiency in testing processes.

Projects

Next-Gen Interview Simulator with Facial Tracking and Answer Insights

- It is a platform to enhance interview preparation through personalized simulations and real-time feedback.
- Integrated NLP and video transcription to provide actionable feedback on verbal and non-verbal communication.
- Built a secure and scalable backend to support 100+ concurrent users.
- Delivered performance analytics via an interactive dashboard, boosting user engagement and readiness.

ShoppersStack Website Testing

- Tested the e-commerce web application shoppersstack.com during internship at Robowaves Innovations.
- Performed functional, regression, compatibility, and exploratory testing across various browsers and devices.
- Created and executed detailed test cases, identified defects, and logged them using Jira.
- Automated smoke and regression test cases using Selenium and TestNG; validated APIs through Postman and REST Assured.

Technical Skills

- **Testing Skills:** SDLC, STLC, Smoke testing, Regression Testing, Compatibility Testing, Adhoc Testing, Exploratory Testing, Performance Testing, Test Case Design, Test Data Management, Test Execution, Defect Lifecycle
